DETAILED ACTION

Claims 8-17 and 19-21 are now pending in the instant amended Application (Applicant should note that the number "18" was inadvertently skipped in the sequence of new claims; i.e., Claim 17 is followed by Claim 19. EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

(a) *The new claims have been amended as follows to correct a grammatical error.*

In Claim 8, line 5: "holders" has been changed to --holder--.

In Claim 16, line 8: "holders" has been changed to --holder--.

(b) *The new claims have been further amended as follows to correct the misnumbering of the claims in accordance with 37 CFR § 1.126:*

Claims 19, 20 and 21 have been **renumbered** as Claims **18, 19** and **20**, respectively (see section 1, above).

Allowable Subject Matter

3. Claims 8-20 have been allowed.

4. The following is an examiner's statement of reasons for allowance:

As to Claims 8-15, patentability resides in **the combination of: 1) a front mechanical holder disposed at the front of the capacitor for attachment of the at least one electrical connector and measurement sensor; and 2) two side mechanical holders for mounting the capacitor to the base unit, one side mechanical holder disposed on and connected to each side of the capacitor**, in further combination with the other limitations of base Claim 8.

As to Claims 16-20, patentability resides in **the combination of: 1) a front mechanical holder positioned at the front of the capacitor for attachment of electrical power connections; and 2) two side mechanical holders for mounting the capacitor to the base unit, one side mechanical holder disposed on and connected to each side of the capacitor**, in further combination with the other limitations of base Claim 16.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
